WILD WEST SCOUT

And His Thrilling Show at the
State Fair.

It Will Be One of the Big Free At-
tractions at Owensboro in
September.

The Directors of the State Fair, which will be held at Owensboro in Sept., are not only working hard to secure a successful distribution of the \$20,000 cash premiums for live stock, agricultural and domestic exhibits, but they have a keen eye as well to the amusement features and are now engaged in arranging a highly interesting programme which will be announced from time to time, as it is completed. The first big attraction settled upon is the famous "Broncho John's Wild West Show." It will be free to all who attend the Fair.

As a scout of the plains, "Broncho John" has a place in the history of Indian warfare, and in a startlingly realistic manner he and his band of scouts and Indians will hold up stage coaches, "bust wild bronchos" and give a sham battle between a lone scout, and a band of red skins, the scout using his pony as a breastwork.

There will be automobile races, professional and athletic games, a race between an ostrich and a horse, and a score of other things.

DOLLAR WHEAT

Will be Sought by Farmers
Through an Association.

The American Society of Equity, which was incorporated recently in Indiana to organize the farmers of the country to secure \$1 wheat, held a session at Indianapolis. J. A. Everett, of Indianapolis, president, says branch organizations are being established in every state, and that the society in its short existence has secured 100,000 members. The plan is to get enough farmers into a close agreement to not only demand \$1 as the minimum price for wheat, but to demand and secure higher prices for all agricultural products.

HOPKINSVILLE MARKET.

Sales of Tobacco This Week Were
Again Heavy.

The sales of the weed this week, including lap from last week, amounted to 598 hogsheads. The tobacco offered was mostly of a low grade, though some good leaf was disposed of at good round figures.

Sales for the year amount to 4,629 hogsheads. Receipts for the week were 225 hogsheads, and for the year 8990 hogsheads.

There has been no material change on quotations since our last report.

SHORT CROP.

Many Fields Will Not Yield Fifty
Per Cent.

Wheat harvest over Christian county will be finished this week. While some farmers will make an average crop there are many fields that will not yield half a crop. The straw is short, though the quality of the grain is fair. The weather has been fine for harvesting. It is likely that threshing will begin in some sections next week.

CLOUDBURST

Sweeps Down a Mountain Gulch
Destroying a Town.

Of 1,250 Inhabitants Nearly 500
Lost Their Lives In The
Flood.

Heppner, Ore., June 16.—Estimates of the loss of life by Sunday night's cloudburst differ widely, but the number of dead is certain to reach 300 and it may be swelled to 500 when all are accounted for. One hundred and ten bodies have been buried and it is known that 50 are missing. Still others, who are strangers in the town, are supposed to be among the lost.

People are coming here from all directions in wagons and on horseback and the work of recovering bodies and burying the dead is proceeding as fast as possible.

The property loss and destruction of buildings alone will aggregate probably a million dollars. This is regarded as a conservative estimate.

One hundred and fifty of the best residences were swept from the earth. The debris is piled along the railroad track to a height of ten feet.

David McAtee, a business man of Heppner, whose residence is on a ranch above Heppner, was an eyewitness of the cloudburst.

"On Sunday afternoon," said Mr. McAtee, "there had been a very severe rainstorm, accompanied with much wind and lightning. I was standing in front of the house and noticed that a cloud of remarkable denseness approached the top of the hill on the east side of the canyon. I turned for a moment when a roar caused me to look again at the hill. I saw a wall of water whose height I would be afraid to gauge, rushing down the mountain, carrying immense trees and timbers on its crest and tearing every rock from its foundation."

The welcome address was made by Miss Fannie Bush, of Winchester, and the response by Mrs. J. E. Martin, of Ashland, Miss Broadbush, of Louisville, presided.

Mrs. B. F. Proctor, of Bowling Green, was elected president and Miss Anna Lucile Davis, of Nealtown, secretary for the ensuing year.

COLLISION NEAR CROFTON.

Two Freight Trains Come Together
Wednesday.

A headend collision occurred between two L. & N. freight trains one mile from Crofton Wednesday morning. One was local freight No. 61 and the other an extra. The local had orders to wait for the extra at Crofton, but the order was overlooked and the local pulled out and met the extra on a down grade a few minutes later. The danger was discovered in time for the engine crews to save themselves and when the collision occurred, the chief damage was to the engines and several cars. The caboose far in the rear was roughly jarred, but the passengers in it were not hurt. There were no injuries sustained by any one on the trains.

Mr. W. F. Randle visited Louisville Wednesday.

Cayce-Evans.

The marriage of Mr. Edgar Cayce, of Bowling Green, and Miss Gertrude Evans, daughter of Mrs. Lizzie Evans, took place at the residence of the bride's mother Wednesday afternoon.

The groom, who is a son of Mr. L. B. Cayce, is a very popular young business man and has been living in Bowling Green for about a year.

His bride is a very pretty and popular young woman, possessing numerous accomplishments.

Dr. E. L. Southgate performed the ceremony. Mr. and Mrs. Cayce went to Bowling Green Wednesday night, where they will make their future home.

Mr. and Mrs. Henry Burnett and daughter, of Louisville, will leave next Wednesday for New York, sailing June 27 to spend the summer abroad.
